

Our attorneys are not just another pretty face

There are hundreds of firms to choose from for your litigation needs. Schwarzberg & Associates focuses on Employment Law Compliance and Defense and complex commercial litigation. We've established one of the larger employment law defense practice groups (with 5 attorneys) in Palm Beach County.

The firm was named a "Go-To Firm" in employment law by Corporate Counsel Magazine in 2007, 2008 and 2009, and a "Top Law Firm" for 2008 by the *South Florida Legal Guide*. Our seven trial attorneys are experienced, responsive and strategic in applying their skills to zealously represent our clients' interests.

When you're looking for the firm to meet your litigation needs, you'll find we're ready, willing and able to help.
